2. I have knowledge of the matters that are the subject of this certificate.

4. The information and each document contained in the filing accompanying this certificate are complete and accurate in all material respects.

6. If the filing is approved, all premiums (including discounts, surcharges and other components comprising such premiums) quoted and charged by the Insurer will at all times and in all material aspects accurately reflect and conform to the filing as approved, whether such premiums are calculated manually or otherwise. 7. I have informed myself as to the Insurer's business systems and processes and confirm that any system or process changes that may be required to enable the Insurer to comply with paragraph 6 above will be adequately tested in advance and fully communicated to staff and intermediaries and implemented by the Insurer in a timely manner.
8. I confirm that any data changes that are ultimately approved in this application will be reviewed both internally and, if needed, with the General Insurance Statistical Agency and/or its data provider (currently IBC) to ensure that the required data can be properly and correctly delivered for inclusion in the Automobile Statistical Plan.
